Hana. If things continue to
go like this, Hana's love

extremely pure & beautiful

I feel my body getting weaker
and weaker with every year
That's why sometimes I have
those moments of enthusiasm
when I tell myself "Okay, let's run!"
I then do some running near the
river in the neighborhood. Unfortu-

That's the reason why I thought I'd
try out Billy's foot camp. His foot

doing my march every day. I

Story

The story so far...

Aki, Hana and Yochi are all students in the same Junior High School. Together with Aki's new classmates, they all join the basketball club. And although Aki still harbours feelings for Hana, she cannot stay indifferent to Yochi's tenderness. One thing leads to another and the couple finally exchanges kisses without even noticing... Aki finds himself getting deeper and deeper into the relationship. He wishes the aggressive Midsumi would manage to close up the gap between her and Hana and they start dating! Seeing them together, Aki can no longer hold in his feelings and the confession to Yochi "I still haven't forgotten Hana"...

treating!

hello everyone! This is Aya Watanabe! Once again, thank you for taking the book into your hands! This is the third and last volume of this series "Time go biff" now is "Treasure" for a whole year! This time it is that -don't- it, I every month the deadline would creep up on me catastrophically as the November 11 and Year was already, oh, oh, oh...a part of my life! What no, Who am I kidding? It is so weird! However, because of everyone's constant support I feel like I have come to know the beauty of life itself!

Well then, let's talk about the actual manga. I guess it was a bit...actually, quite dark, with a very delicious twist character for the last time, sure there were a lot of people who were enjoyed by her, for example my friends would go like this every time they read it:

I understand why you would get that I suppose that the fact that you feel something... whatever that might be, while reading the story makes me really happy

Continue on as well, I promise to do my best!
